FIORINAL PLAIN
FIORINAL C ¼
FIORINAL C ½**

March 22, 2017

Dear Valued Customer,

This communication is to inform you that there are some changes to the capsule appearances for the FIORINAL product line.

The change is related to the removal of the  logo on the capsule. The capsules will continue to have the wording “FIORINAL”, “FIORINAL-C 1/4” or “FIORINAL-C 1/2”. This change does not affect the quality of the product.

Our updated Product Monographs which reflect the changes have been posted on our website (www.aralez.com).

Regards,
