NEW & IMPROVED

Glycolic Renewal[™]

Smoothing Cream & Lotion 5% GLYCOLIC ACID

IDEAL FOR ROUGH SKIN TEXTURE, UNEVEN SKIN TONE AND DILATED PORES

- Remove build-up of dead cells on the surface of the skin
- Tighten the look of dilated pores
- Even out complexion, while moisturizing
- Reveal radiant, younger-looking skin

CLINICALLY PROVEN RESULTS

SKIN TEXTURE

Pores are less visible, less dilated²

SKIN RADIANCE

Skin is more luminous and radiant³

SKIN TONE EVENNESS

Up to **+73%** significant improvement in skin tone evenness³

REDUCTION IN WRINKLES

Up to **-76%** of visible reduction of fine lines and wrinkles³

Method: test conducted by an independent laboratory. Twice daily application of Glycolic Renewal[™] 5% glycolic acid for the first two weeks, followed by Glycolic Renewal[™] 10% glycolic acid.

² Results observed by auto-evaluation after 56 days.

³ Results measured after 56 days.

Body Smoothing Lotion 10% GLYCOLIC ACID
