

Subject: Important Update on Movantik®

June 22, 2017

Dear Healthcare professional,

On December 15, 2016, Knight Therapeutics Inc. ("Knight") entered into an exclusive license agreement with AstraZeneca Canada Inc. ("AZ") to obtain commercial rights for Movantik® in Canada. We are pleased to share that we will transition the **Distribution** and **Order-to-Cash** activities for Movantik® from AZ to Knight effective **July 1, 2017** ("Transition Date").

The physical products will remain identical at this time, including DIN, GTIN/UPC codes and price.

Product Name	DIN	GTIN/UPC
Movantik® 12.5mg Bottle of 30 Tabs	02442167	620641014718
Movantik® 25mg Bottle of 30 Tabs	02442175	620641014732

If you do not currently have a direct account with Knight, please arrange to open account as per below. If you are a current Trading Partner with Knight required actions are as:

**Pre-Transition Date**

Update your system to purchase these products from Knight effective July 4, 2017

June 29, 2017 - Last day to place orders with AZ

June 30, 2017 – Last day AZ will ship Movantik® orders

**Post-Transition Date**

July 4, 2017 – First day to place orders with Knight

Claims (damages, short ships): Credit to be processed with company which issued the sales invoice

Expired Returns – Effective July 4, 2017 Knight will issue credits as per its terms and conditions and all expired products are sent back to: *Knight Therapeutics Inc. Returns department, 1375 Newton, Boucherville, Quebec, J4B 5H2*

Payment of Knight's invoices by check: Mail to *Knight Therapeutics Inc. 3400 De Maisonneuve W., Suite 1055, Montreal QC. H3Z 3B8*
