

SPECIAL announcement

Venofer® and Dexlron® now distributed by Fresenius Medical Care Canada

Dear Customer,

Fresenius Medical Care Canada is dedicated to the Canadian nephrology community and to providing the products and services necessary to achieve the best possible outcomes for Canadian renal disease patients.

We are pleased to announce that effective October 2nd, 2017 the Canadian sale and distribution of Venofer® (Iron Sucrose Injection, USP) and Dexlron® (Iron Dextran Injection, USP) will be the responsibility of Fresenius Medical Care Canada.

Ensuring a reliable and consistent supply of Venofer® and Dexlron® to the Canadian market during and after this transition is our priority. Ordering information is as follows:

Product Name	Product Code	Dosage	Format	DIN
Venofer® (Iron Sucrose Injection, USP)	2340C	20 mg elemental iron/ml (100 mg elemental iron/5 ml)	5 ml single dose vials, 10 vials/carton	02243716
Dexlron® (Iron Dextran Injection, USP)	0234C	50 mg elemental iron/ml (100 mg elemental iron/2 ml)	2 ml single dose vials, 10 vials/carton	02205963

Refer to product monographs for more information.

Beginning October 2nd, 2017, all Venofer® and Dexlron® orders should be placed with your preferred wholesaler or for hospitals with direct accounts, with Fresenius Medical Care Canada at 1.888.709.4411. For customers in Western Canada, please call 1.888.758.8811.

If you have additional questions please contact Fresenius Medical Care Canada Customer Service by phone at 1.888.709.4411, by fax at 905.770.5881, or by email cscan@fmc-ca.com.

Best regards,
