

## **DISCONTINUATION OF DEXIRON® (Iron Dextran Injection, USP)**

Fresenius Medical Care Canada has discontinued DexIron (Iron Dextran Injection, USP) due to lack of availability of the active ingredient.

DIN	UPC	PRODUCT	Format
02205963	305170234317	DexIron (Iron Dextran Injection, USP)	2 ml single dose vials, 10 vials/carton

We will manage the supply of DexIron to meet the demand of our current customers until the final inventory is depleted which is expected to be mid-2019. This discontinuation only affects DexIron. The availability of other Fresenius products is not impacted. We regret the inconvenience that this may cause. For more information about the discontinuation please call our Med-Info line at 1-888-709-4411.
