Subject: PLAVIX[®] 75 mg – NEW BOTTLE SIZE

Dear Customer,

Sanofi-aventis Canada Inc., wishes to inform you of the format change of its product Plavix[®] 75 mg which will soon be available in a new bottle size of 90 tablets and will replace the current format of 500 tablets. We anticipate the shipment of this stock at wholesalers during the **week of January 18th, 2019**. Please notice that this new bottle no longer has the cotton coil.

Please see the table below as well as the attached product information sheet where more details may be found. Please ensure that this change is made within your system so that your orders may be processed accordingly.
