

IMPORTANT INFORMATION
TEMPORARY SHORTAGE OF NALCROM® (sodium cromoglycate)

Sanofi-aventis Canada Inc would like to inform you that Nalcrom® (sodium cromoglycate) is on temporary shortage due to a delay in API supply. The table below indicates the estimated availability date.

DIN	UPC	PRODUCT	FORMAT	STATUS	
				Estimated depletion date	Estimated availability date
00500895	622337484409	Nalcrom®	100	Currently	30 th June 2019

The anticipated availability dates represent estimated availabilities at the main Sanofi warehouse. Availability dates at a customer's usual distributor warehouse may vary. Pharmacies are invited to communicate with their preferred distributor to obtain the product availability date. Patients should validate the availability of the product with their respective pharmacy.

We recognize the difficulties that this situation may cause for patients and health care providers, and apologize for any inconvenience resulting from this.

All efforts are being made to resolve the situation, and any update will be communicated on the www.drugshortagescanada.ca website. Should you have any questions regarding this situation, please do not hesitate to call Customer Service at 1-800-265-7927.
