

Discontinuing Palafer 500 Count Effective July 31, 2020

Palafer 500 Count (UPC 870944000158) is being discontinued because:

- The need to have a 500-count available has **decreased to a level** that we can no longer maintain offering this size
- In a recent survey of Pharmacists;
- o 82% said they preferred the 90 count
- o 90 count preferred due to demand and inventory controls

To maintain pill count, order 5 X 90CT Palafer (UPC 870944000240)

Why Palafer

- Trusted by doctors and pharmacists for over 55 years
- Capsules and Suspension to help your iron needs
- Manufactured in Canada
