

THE ACCU-CHEK® AVIVA METER WILL RETIRE, **UPGRADE YOUR PATIENTS TO ACCU-CHEK GUIDE.**

The smartest system we've ever designed for simple, quick routine testing.

CHOOSE SIMPLE

FUMBLE-FREE:

Spill-resistant vial; easy to remove one strip at a time.

FAST:

Widest* dosing area on the market makes testing fast.

ACCURATE:

Our most accurate system to date, exceeding ISO standards[†]; for results you can trust.

HYGIENIC:

Strip ejector button; no-touch strip removal.

Making it simpler for patients to manage their diabetes is our goal. So let's show them how easy testing can be. Now that the Accu-Chek Aviva meter will retire[†] to make way for Accu-Chek Guide, your patients can find all the features they love and even more in a system that makes compliance easier than ever. Help your patients choose Accu-Chek Guide.

To help your patients get started on Accu-Chek Guide, direct them to guidevideo.ca.

[†]Accu-Chek Aviva Strips will remain available for many years to come.
